Catlins Medical Centre

Practice Update

As we head into the heart of winter, we'd like to thank our wonderful Catlins community for your ongoing support, patience and kindness. It is a privilege to care for you and your families.

We are excited to welcome a new member to our team, with our new Receptionist joining us at the beginning of July. We know many of you will make her feel right at home, and we look forward to introducing her to the community.

A reminder that Catlins Medical Centre will be **closed on Friday 10 July for the Matariki public holiday**. If you are due to run low on medications, please remember to order your repeat prescriptions in advance—particularly if you require them to be delivered to Owaka. Planning ahead will help ensure you have everything you need over the long weekend.

We've also been delighted by the positive response to **Health Coach Pia's Tuesday Walking Group**. It has been wonderful to see members of our community coming together to enjoy some gentle exercise, fresh air and good company. If you would like to know more or are interested in joining, please give us a call—we'd love to hear from you.

Many of you have shared your concerns and frustrations about the cost and accessibility of blood tests. Please know that we hear you. We are working hard behind the scenes to secure funding that would allow our patients to access **free blood tests**, and we remain hopeful that we will have a positive update to share in the near future.

At Catlins Medical Centre, we are always looking for ways to improve our services and make healthcare as accessible as possible. If cost is ever a barrier to you seeking medical care, please let us know. There may be options available, and we encourage you to have a conversation with us rather than going without the care you need.

The Catlins Medical Centre Team
Tracy Jury, Practice Manager
Main Road, Owaka

Thank you from the Catlins community to two retiring Owaka St John Ambulance volunteers. Chris Landreth (42 years) and David Kinley (12 years). Chris holds his award for long service. Best wishes for your retirement.
